To Whom it May Concern,

A letter of recommendation for one of my favorite vendors, Texas Sports and School Portraiture (TSP).

Although our school has been doing business with TSP for quite some time, I only came on board with PCA in 2006. This is my third year working with TSP, and I am happy to say, it's been a great partnership.

We have three large projects a year that TSP covers for us. Each season, they come in and take the sports photos of all of our 7th – 12th grade athletes. We have approximately 600 students participating in sports this year. It is quite an undertaking, and they have always been up to the task. Their photos are showcased in our Fall, Winter & Spring Sports Guides, as well as our Yearbook. We have also used them for special events, like Homecoming and Senior Night.

TSP and their whole staff are personal and very professional. Each photographer that I have worked with has had patience and strives to do quality work. Anytime we have a problem, they are quick to fix it, without hesitation. It does not matter where the fault lies.

I recommend Texas Sports and School Portraiture highly. If you have any particular questions or need further input, don't hesitate to contact me.

Thank you, and God bless!
